

17's/18's SEASON INFORMATION

PRACTICES

We will practice on average 2/wk (Mondays and Thursdays) from late November to late April. Each practice will be 2 hrs long. Practices will be held at a Jenks East Elementary (91st and Harvard).

TOURNAMENTS

We will play in 7 to 10 tournaments during the club season. We will try to keep traveling to a minimum as we will try and enter as many one day or local tournaments as possible. If our team can compete at a high level, then we may enter bigger tournaments that may include some traveling. One day tournaments are on either a Saturday or Sunday and two day tournaments are half days on Saturday & Sunday.

TRAVEL

Parents must arrange and secure travel to and from tournaments. Players must stay with parents or guardians during travel tournaments. If a parent cannot attend a travel tournament, then another parent can be given temporary guardianship. Players are not required to stay at a specific hotel, although the players enjoy staying as a team and have more bonding opportunities when together.

PLAYING TIME

Playing time is earned. IT IS NOT GUARANTEED. Factors that are considered: attendance, skill level, attitude, and effort.

FINANCIAL
